Worksheet: Organizing for Change

What is our purpose for addressing classism? What are our top 2/3 goals?	
What core groups (with institutional resources and responsibility) need to be involved?	
How will we find/recruit 2-3 possible lead organizers?	
What activities (not issues) must we undertake to tackle classism? • Early, midstream, late-term	
How will we consider accountability to members with fewer class advantages?	
What evaluation methods will we use to determine if we are meeting our goals?	
What is a reasonable timeline to meet our goals?
