

# Group Volunteer Projects | Current Park Needs

## Golden Gate National Parks

Updated: October 17, 2024

The Golden Gate National Parks Conservancy strives to welcome people of all abilities and backgrounds into our volunteer programming. Please contact us at [volunteer@parksconservancy.org](mailto:volunteer@parksconservancy.org) about any accommodations we can make to facilitate your full participation.

### To schedule a project:

1. Identify the project(s) below that fit your schedule.
  2. Submit a [Group Project Request Form](#) (if you haven't already submitted one) and list the project(s) that you would like to join. Please submit several options if possible, as other groups may have already requested the same date.
  3. We keep the list below as up to date as possible, but there may be a 1-2 day lag.
  4. If nothing below works for you, submit a [Group Project Request Form](#) and let us know your availability; we may be able to find a project for your team. **It will take us 1-3 weeks (2-4 weeks in the spring) to work out the details with our staff in the field.**
- **\*Search tip:** Hit Ctrl + F to bring up the search bar to look for your desired date\*

**We appreciate your interest in supporting our projects. Please note that we only have projects to offer on the dates listed below.**

### Habitat Restoration
