SUPPLY & FOOD NEEDS

Thank you community for all of your donations!! You have helped so much to make this encampment possible.

-We have lots of paper goods (plates, cups, napkins, etc.) and utensils—**no need to bring any more paper goods or utensils**, even if you bring food/a meal.

-We have enough fresh veggies & fruit for snacks/side salads as of Thu 5/8. **Please no more perishable fruit/veggies for a few days.**

-Please stop by anytime to visit. We are pretty informal, but welcome all visitors who are in solidarity for Palestinian liberation or have sincere questions about why we are calling for a ceasefire and support Palestinian self-determination.. Feel free to introduce yourself, have a snack, check out the library, or spend some time in the art space.
