- ◆ All runners will abide by the directions of the medical personnel.
- ◆ Violation of any rule will be grounds for disqualification.
- ◆ Be sure your chip is attached to your shoe and is secured with ties provided. If you don't have the chip attached, or lose it during the race, you will not be in the results. We will have a volunteer remove your chip at the finish line.
- ◆ This is a women's focused event but everyone is welcome to join.
- ◆ In order to increase runner safety, **NO VEHICLES MAY LEAVE** the parking area from **7:20 a.m. - 8:10 a.m.**
- ◆ Vehicles may still enter the parking area throughout this time.
- ◆ **While running on course, please be aware of where you step so that you are sure to stay off of the Cryptobiotic Crust. The crust is a living organism that takes a long time to recover from human disturbances. For more information about the crust, you can visit the [USFS Website HERE](#). Help us protect Moab's beauty!**

Distance Changes

- ◆ If you would like to downgrade to a shorter distance, you can, but will not receive a refund. If you would like to upgrade, your original order is

removed and you are given a credit to re-register for another distance. You will be directed to re-register. If you do not immediately re-register, the coupon will remain under your email until you do register. To make these changes go into your account and select “registration history” and then click “edit” next to the event.

The dollar amount that we will transfer, will be determined by the length of notice given. In order to get the credit you must go into UltraSignup and cancel your registration. It will issue a credit into your account for any future Mad Moose Event.

 - **To receive the credit, you will need to cancel your registration in UltraSignup. You can do this by clicking the link located at the bottom of your registration receipt or by logging into your account. The credit will be attached to your account, and will apply automatically the next time you register for a Mad Moose event.**
 - The credit will be valid for one year.
 - Sending an email to race directors does not initiate the cancellation of your registration. You must do this yourself for the credit to apply. The UltraSignup platform will not transfer your fees if we have to cancel your registration for you.
 - We highly recommend setting up an UltraSignup account at the time of registration, if you do not already have one. It is the most convenient way to manage your registration and manage your event credits.

I got injured/called out of town unexpectedly and can't make the race. Can I have a refund?

1. No refunds will be given.

Can I transfer my entry to someone else?

We have a strict **NO TRANSFER** policy.

Then can I just give my bib to someone else?

Running with someone else's bib number is: a safety and liability issue for race staff and medical personnel; unfair to those who didn't get to sign up before registration closed; and alters race results, sometimes depriving a deserving award winner of their medal.
