

RESOLUTION TITLE

Allocate Funding for DC Abortion Fund Fundraiser

RESOLUTION

Therefore, be it resolved, that the chapter will allocate \$100 to setting up a fundraiser through the Reproductive Justice Working group, to be hosted at Anacostia Skate Park this summer. \$50 of which will cover park registration, and the remaining \$50 of which will go to materials costs for craft items to be sold for the fundraiser.

BACKGROUND

Whereas, the ability of working class people to access reproductive healthcare is a socialist concern.

Whereas, the Dobbs decision has led to increased demand for abortions in places like Washington DC and Maryland where abortion is accessible.

Whereas, the DCAF provides funding for people seeking abortions from inside and outside of DC in the DC area.

Whereas, Metro DC DSA strengthening our relationship with the DCAF will open other opportunities for our organizing around abortion access.
