

Flip the Script – Disco Lyric Slide

To the tune of “Shake Your Groove Thing”
Stayin’ A-Thrive Workshop

🎵 CHORUS (Hook):

Flip your script thing, yeah yeah
Flip your script thing, oh-oh
Stop that doubt from stealin’ your shine—
Catch it, flip it, Hope rewinds!

🎵 VERSE (Highlight):

When that voice says “You’re not enough,”
Hope Agents rise and call its bluff.
Catch it, flip it—change the line,
One thought, one flip... and I will shine.

💡 BRIDGE (Disco Cue):

Flip it left (Whoo!) – Flip it right (Hey!)
Catch that thought – Change the light!

✨ FINAL TAGLINE (Spoken):

“One thought, one flip... and I will shine.”
