

ISI QROR RESOURCES

Roadmap: [ISI QROR ROADMAP](#)

Articles: [ISI ENTRANCE PREPARATION.](#)

Telegram link: <https://t.me/chatisimtechqror> and <https://t.me/isiqror>

Important topics for MMA: Important topics for MMA are Complex numbers, Linear Algebra, Calculus, Straight Line, Circle, Sequence of real numbers, Infinite series, P and C , Probability, Binomial Theorem.

Important topics for PQB: The topics important for PQB Maths are P and C, Divisibility and Prime number, Binomial Theorem, Properties of triangles, Differential equation, Function, Limit, Continuity, Linear Algebra.

INTERVIEW: <https://qr.ae/pyU5JU>

IMPORTANT BOOKS:

The M.Tech exam of ISI QROR has two papers.

[1] MMA

[2] PQB

For preparing MMA the books required are.

1)TOMATO(Test of Mathematics at plus two level)-This book is used for solving questions.

2)CENGAGE JEE MATHEMATICS OR ARIHANT JEE MATHEMATICS books.

3)Engineering mathematics books like HK DAS or BS GREWAL for topics like double integral, Differential equation, Convergence, and Divergence of series.

For preparing PQB the books required are.

1)Books that are mentioned above.

2)For thermodynamics, P K NAG.

3)For Engg Mechanics, R S KHURMI.

4)For Engineering drawing, just solve the previous year's questions.
