

Aid to Taiwan Act

Article I:

This bill authorizes 30 billion dollars in military aid to Taiwan. This number will be increased to 40 billion dollars in military aid and weapons and 10 billion in humanitarian aid if China invades Taiwan. The president should implement this as quickly as possible. The money designated for military aid can be used to replace old weapons given to Taiwan.

Article II:

If Taiwan is invaded the US will place large sanctions and tariffs on china or ban all trade, at the discretion of the president.

Article III:

All sanctions and tariffs on Taiwan are hereby rescinded.
