

## **Christmas Shopper Order Form**

Please have your child bring these items to school with them on Monday, December 2nd:

- A large brown grocery bag with their name on it
- A completed order form
- Spending Money (check made out to ACS or cash)

On Tuesday, December 9th, the ACS Commons will be transformed into a Christmas Gift Shop for your children to select Christmas gifts for their parents and siblings. Students will shop with their classes during a designated shopping time. Parent volunteers will be helping your children select and wrap gifts.

If you have more than one child at ACS, **please send each child with their own spending money**, rather than writing one large check. This helps us tremendously during checkout, as your children will probably not be shopping together at the same time. Also, please note that there is no change given to the children, any extra money is donated to the PTO. Thank you!

\*For brothers and sisters, **please include ages**. This is especially useful in helping the younger children select gifts.

We would love to have everyone participate who would like to.

Please contact Nate Kiser, [nkiser@adachristian.org](mailto:nkiser@adachristian.org), if financial support would be helpful.
