

## Classroom Supports

The last 10 minutes of each class period is used for tutorials.

Teachers embed study skills into their regular classroom instruction. Each month is a topic of focus with spiraling of the other topics throughout the year.

August- Organization/Calendar/Time Management

September- Note Taking/Study Skills

October- Communication Skills/Soft Skills

November- Self Advocacy and Goal Setting

December- Self Awareness and Reflection

January- College and Career

February- Interview Skills/Resumes

March- Revisit Organization and Time Management

April- Conflict Resolution

May- Revisit Study Skills for Finals or Projects
