**HCV Testing Project Work Plan Template**

Use this template to submit an eleven-month project work plan for the funding period (August 1, 2022 - June 30, 2023) that describes how the work will be carried out during the first year of the grant project. Please identify who will complete each activity, the estimated timeframe, the desired outcomes and the deliverables associated with each activity. If acronyms, technical terms or program-specific terms/phrases are used in the document, add a definition under “Acronyms and Definitions.” Additional rows and tables of activities may be added to the template as needed.

For more information on how to complete this template, please refer to RFA Appendix A: HCV Project Track Guidance Document.
