New Business -

- Discussion re: pre-recorded speaker meeting presentations for those who feel inhibited by speaking on the spot. The difficulty is how to get recordings onto Zoom server with outside methods.
- Beth S will mock up wording for disclaimer for XPI Speaker page.
- XPI will follow in the footsteps of other twelve step fellowships and vet speaker tapes to ensure traditions aren't broken egregiously before upload onto the website. A committee of volunteer members will form to do this as needed: Gail, Cat and Tom, and Sue
- **Chron-anon meets 1pm EST on Saturdays** - Please be aware that as of now, Chron-anon is a non-CPA meeting and some meetings may have guidelines about non-CPA announcements during meetings. In that case, it could be a fellowship announcement or a meeting could vote in a business meeting to allow it.
- **XPI Reps - contact Cat if you are not getting copy of minutes**

Closing Prayer

"I guess this makes up for all those months you didn't speak to me."
