

Boston

Stella Lefty

<https://holler.country/lyrics/boston-by-stella-lefty-lyrics-and-meaning/>

"On a train back to Boston and
we're jumpin' the (1) _____
And I'm tellin' you, baby, this the
part where I'd run
But I like it when you're nice, like
it when you're nice to me

Well, there I was
Swearin' I would never fall in love
All my (2) _____
Walked out the second you said,
"What's up?"

So, here we go
I'm throwin' out the things I used to
know
I hate to admit it
But I guess I'm not better (3) _____

On a train back to Boston and we're
jumpin' the (1) _____
And I'm tellin' you, baby, this the part
where I'd run
But I like it when you're nice, like it
when you're nice to me

I don't know where it's goin' but don't
wanna go (4) _____
And usually I'd leave right at the
thought of that
But I like it when you're nice, like it
when you're nice to me

Wakin' up by your (5) _____
I see it when the mornin' hits your
eyes
You don't want me to leave
Never knew I would be this along for

the ride

Last month, you
were just another
(6) _____
But now, we're
headin' back to
where you come
from

On a train back to Boston and we're
jumpin' the (1) _____
And I'm tellin' you, baby, this the part
where I'd run
But I like it when you're nice, like it
when you're nice to me

I don't know where it's goin' but don't
wanna go (4) _____
And usually I'd leave right at the
thought of that
But I like it when you're nice, like it
when you're nice to me

I like it when you're nice to me
I like it when you're nice to me

On a train back to Boston and we're
jumpin' the (1) _____
And I'm tellin' you, baby, this the part
where I'd run
But I like it when you're nice, like it
when you're nice to me"

Key: (1) gun; (2) inhibitions; (3) alone; (4) back; (5) side; (6) someone.
