 FROM: M. Moran,
 Band Director, Freedom High School
 RE: Senior Recognition
 DATE: Oct. 18, 2026

Friday, October 23 is Freedom's Band Senior Recognition. As parents/guardians, you are invited and encouraged to participate in this event. It will take place at the end of halftime after the band performs. We ask that you report to the track gate at the 50 yardline, **pressbox side**, at the beginning of halftime. Easton will perform their halftime show first, then we will perform. Please position yourselves on the track in order alphabetically by last name, A thru Z RIGHT to LEFT. Please line up facing the yardline indicated below so all you need to do is move forward to that yardline. Here is the order:

Student First Name	Student Last Name	Location
Ian	Baltz	30 right side
Alexander	Bonar	
Olivia	Caleca	35 right side
Lily	Campbell	
Parker	Chepolis	40 right side
Wyatt	Cole	
Drew	Costanzo	45 right side
mikayla	davis	
Madeline	Gasper	50 Yardline
Aiyanna	Green	
Griffen	Harnden	45 left side
Benjamin	Lyon	
Christian	Mckelvey	40 left side
London	McTier	
Judea	Russell	35 left side
Aiden	Schankel	
Connor	Selness	30 left side
Maxim	Tiffany	
Benett	Vertel	25 left side
Julius	Vertel	25 left side

The seniors will fall out from the last set of the show then go to the front sideline on the designated yardline listed above. Parents move to the front sideline where you will meet your son/daughter and remain there while names are read. As the student's name is read, the family will move forward off the sideline to have their picture taken with Mr. Stoltz and myself. Then you will back up on to the front sideline and wait for all names and personal info to be read. Once all names have been read, Mr. Moran will dismiss the entire formation. Seniors will go back to their field positions and march off with the band. Email me if you have any questions.

Thank you in advance for participating in this event and helping to recognize the efforts of your son/daughter and yourselves as well. If it were not for your support and encouragement, The Freedom Patriot Band would not be what it is today.
