♡COMMISSION BOUNDARIES AND RULES♡

While I am a SFW (safe for work) artist, I can also draw NSFW, though I'm not as experienced. As an adult artist, I am legally allowed to produce and distribute NSFW content to *other adults*, but NSFW **will not** be drawn, shown, or distributed to minors. I will only draw NSFW art for other known adults.

I do NOT draw:

- proship content
- hard kinks (scat, urination, etc)
- extreme gore (ask about this one if you're interested! I will draw *some* hard gore)

♡COMMUNICATION♡

If you have any questions about requesting a commission, or any questions regarding any specifics in your request, you can either friend request me on Discord for access to my DMs, or email me at tlzsamiya05@gmail.com .

♡PAYMENT♡

All payment will exclusively be made through Cashapp. I will not use other transfer apps. All payment is final unless I am unable to complete your commission, in which you will receive a 100% refund.

Tips are always appreciated!

Thank you for viewing my commission page! Please consider me as an artist to commission for your next piece.
