Life Question: How To Help The Church Grow?

Key#1: Meeting

ACTS 2:46-47

So continuing daily with one accord in the temple, and breaking bread from house to house, they ate their food with gladness and simplicity of heart, praising God and having favor with all the people. And the Lord added to the church daily those who were being saved.

The people of the early church did all of these things daily. They came together and had fellowship, they had meals with each other, went to the Temple together and they were glad of heart. They had simple lives focused on God. They praised God and all of the people admired the way they lived in peace. As they continued, God added more and more people to the church and they believed in Jesus. God blesses obedience to His word.

- Name some ways that you enjoy serving Jesus.
- Ask your family members how they like to serve Jesus.
- Do you know someone who isn't in the family of God? How can you help them?

Key#2: Sharing

ACTS 2:44-45

Now all who believed were together, and had all things in common, and sold their possessions and goods, and divided them among all, as anyone had need. The people of the early church sold their belongings and shared with one another. They all took care of each other and lived together in peace. We are members of the body of Christ and we need to help one another.

- How does sharing help God's people?
- Name something you have shared with someone else.
- Pray about finding ways to share your love for Jesus with others.
