Hi Friends!

We hope you had a lovely Thanksgiving with your families and are looking forward to the upcoming holidays!

Financial Update

We have over \$35K in the bank towards Phase 1b (to continue down White Oak and Beech Ridge and through Bent Pine). For reference, our goal in order to pave is \$68K - **WE ARE HALFWAY THERE!** Thank you so much to those of you who have been faithful to continue to donate each month. Slow and steady wins the race! We have already proven that we can achieve our goal - we will do it again this time.

Several of you have pledged to make contributions before the year's end. It would be a huge help if you could send those in ASAP. Thank you for your support!

LDRMA Website

There were some technical issues with our website permissions and some of the pages/documents were not accessible to the general public. We believe these issues are remedied, but *please visit www.ldrma.org* and let us know if you have any issues with the site. *This is where you can find the latest updates and documents related to our efforts.* We hope you will find this a useful resource. We will continue to add to this as we can, so please let us know what else you would find valuable.

Reminder: New Communication Schedule

Our board has moved to bi-monthly meetings instead of monthly ones. Therefore, *our scheduled communications will also be every other month* and should be sent the week after our board meeting. Our next meeting is scheduled for Monday, January 9.
