

Summer Girls and Boys Soccer Camp

Parents!!!! I am pleased to announce that I will be hosting a soccer camp for players interested in trying out for soccer in the fall at Shoal!

If you don't know me- I'm Coach Day. I coached my first season for the girls last year and we had an amazing time. I also spend my time coaching at our local travel club, Rip City Surf (formerly Roots!) This camp is organized into a two hour a day training session, consisting of conditioning, basic foot skills, small sided drills, and then large game play.

Last season at Shoal I was met with the challenge of having about 1/2 my girls know and play at a higher level, and the other 1/2 hadn't played in years and a lot of the season was spent on teaching the basics and improving individually. I am trying to avoid this by doing a camp!

Currently- it will be by myself and my assistant coach hosting. If we have enough sign ups, I may open up for parents to assist if they are school volunteer approved. 🤝

Most importantly- I do not want the cost to deter. As supporting the program is important to me, if finances would keep your child from playing, please email me in regard to this as I am willing to work with you. (Also if they are only able to attend a part of the camp, please be in communication with that regarding cost.)📧

Sign up below - or using the QR code on the Flyer Below.

It is IMPERATIVE that physicals must be on file. Sign up's will close July 17th so I can confirm all students are clear! Sign up link below, or using the QR code.

Go Mustangs! ❤️💜💙
