

IN SMALL GROUP: Talk about breakfast cereal. Then, talk about these questions. The answers are not so easy...see what you can figure out.

- 1) What are the names of the seven continents?
- 2) What makes the border between Europe and Asia?
- 3) Which continent is bigger -in terms of land - Africa or North America?
- 4) What are the names of three nations in the continent of Africa?
- 5) So...what is the difference between a nation and a continent?
