POLICIES & PROCEDURES

Cheating/Plagiarism	Technology
There is ZERO tolerance for cheating/plagiarism. Period. You turning in work that isn't original and doesn't reflect YOUR ability is the fastest way for me to lose trust in you. Don't do it. It is also an automatic call home, detention, and zero in the grade book for the assignment. Cheat on a test/large assignment? It's an automatic call home and referral to administration. Again, don't do it.	Students are permitted to use school-issued Chromebooks in class. No other technology, including PHONES, are allowed. This year phones will be stored in our tech locker at the beginning of each class period and students will get them at the end of class.
