MISEN BOUTEILLE AU DOMAINE À BONIFACIO

Bvzzo Bunifazziu *Ciafara Rose*

Winery: Bvzzo Bunifazziu

Vigneron: Thierry Buzzo

Appellation: IGP Bonifacio (Corsica)

Location: Corsica

History of Domaine:

Buzzo Bunifazziu is a distinguished organic vineyard spanning twelve hectares, situated on the ancient Bonifacio limestone plateau at the southern tip of Corsica. The vineyard's clay-limestone soils contribute to its unique terroir. Winemaking is a cherished family tradition in the Buzzo lineage, with its legacy continuing through Thierry Buzzo, the son of Vincent Buzzo. Since launching his own venture in 2010, Thierry has been cultivating the family's land at Ciafara, located near the scenic Cala Longa and Sant'Amanza regions.

Cuvée: Ciafara Rose

Grape Variety: 100% Sciaccarellu (11-year-old vines)

Vineyard: Clay, Limestone under chalky soil

Vinification:

The harvest is entirely manual, with grapes hand-picked and initially sorted in the field into 12 kg crates. A second sorting occurs upon arrival in the cellar on a conveyor belt. The grapes are destemmed but not crushed. Debouillage (settling of solids) is performed, but there is no malolactic fermentation. Fermentation takes place in temperature-controlled steel tanks. The wine is blended in January following the harvest. It undergoes 4 months of aging in steel tanks, with some soutirage (racking) as needed, along with light fining and filtration. A small dose of sulfur is added at bottling. The wine is certified organic.
