

CHEER Grant Sponsors

MNEA-Retired sponsors have all the fun and not much of the responsibility surrounding **CHEER** grants. Once a grant has been awarded to the **active** you sponsored, the check will be mailed to you! Make arrangements to meet the grant recipient you sponsored and present the check. We ask that you have someone take pictures of the presentation and, if possible, the items that were purchased. If you can send an email to cheer.mnear@gmail.com giving the following information on the grant recipient (district, building, grade level, etc.) that would be terrific. When making arrangements to present the check to the recipient, please ask the recipient to invite the local MNEA president to attend the presentation.

Count me in! I'd love to be a sponsor.
