

Molina B-TECH/Mountain View College PD/Collaboration Plan

2023-2024

Molina B-TECH and Dallas College at Mountain View Campus will partner up to provide joint professional developments and collaboration meetings between Molina B-TECH teachers and Dallas College professors.

Professional Development Schedule:

August 2023: Implementation of Common Instructional Framework in preparation for college success

September 2023: Implementation of college rigor in the high school classroom

October 2023: Engaging students in a virtual environment

January 2024: Planning for success; how to help students organize their life for college success

February 2024: Research based academic interventions for struggling students

April 2024: Achieving excellence through collaborative group work

May 2024: Vertical alignment; planning student success from high school to college

B-TECH teachers and Mountain View College professors will:

1. Provide professional development to each other regarding best teaching practices.
2. Collaborate on high school to college alignment.
