PERSONNEL 5825

Evaluation of School Bus Drivers

Each school bus driver shall be evaluated annually by the transportation supervisor or the District's school bus driver trainer for the purpose of assessing driver performance. This evaluation shall be conducted in accordance with Policy 5820, and may use the model driver evaluation procedure and form provided by the State Department of Education's Transportation Department.

The completed evaluation and any rebuttal attached by the driver shall be retained in the driver's personnel file.
