

Barbe High School
Homecoming Dance, September 28, 2019
Procedures for Use of Breathalyzers

In an attempt to curb what seems to be a growing trend of underage drinking prior to dances, Barbe High School will use breathalyzers for students attending the Homecoming Dance. All students attending the dance will be tested. The breathalyzers are being provided by the Calcasieu Parish Sheriff's Office. Students will breathe into the electronic device and a level will be displayed. In the event of a positive test, a second test will be administered to confirm results. Parents will be called to pick up the student in the event of a positive test and /or if the student refuses to test.

Please complete the attached permission form for your student to purchase tickets for the Homecoming Dance. They will present this at the time of purchase. Please note that tickets will NOT be sold at the door the night of the dance. We hope to have a safe and pleasant environment for all of our students to enjoy at Homecoming. Thank you for helping to make that possible.
