20th January 2025

Dear Parent/Carer,

Mock Results Day - Wednesday 22nd January

We have been really impressed with the effort and conduct of year 11 during the Mock exams. Please congratulate them on their efforts so far and continue to support them as they enter their last few months of schooling at Heartlands High school. Students will receive their mock exam results during their tutor time session on Wednesday 22nd January. Staff will be on hand to talk to support students if their results were not as they had hoped. The next day the grades will be available to you to view on the DPR.

Once Year 11 have their mock results, form tutors will be supporting students to reflect on their Post 16 Options and applications so far to ensure they have made suitable choices. Please continue to discuss this at home with your child.

Year 11 Parents Evening: Wednesday 31st January 2024 4.00pm – 7.00pm

Your child's Parents' Evening at school is on **Wednesday 31st January.** This will give you the opportunity to talk to each of your child's teachers about each subject. You will discuss what they are studying, how they are getting on in their learning and how they can be supported through to the exams.

You will need to make appointments with each subject teacher on **'My Child At School'** and students should also record these in their planner, so they should bring their planner with them, on the evening. Please see below for support with booking appointment times.

On **Wednesday 31st January 2024** please:

- Arrive at school via the community entrance (car park). There is no parking on the school site.
- Your child must attend with you. Students cannot attend without an adult.
- Students should attend in full school uniform.
- If you need a translator, we suggest that, wherever possible, bring a family member or friend

Please book your appointment time as soon as possible, these will be made on **a 'first-come, first-served' basis** and need to be made by **Friday 26th January at the very latest**

Intervention & Exam practice

This is a crucial time for your child with only 4 months until their GCSE exams begin. To support your child in their preparation for these exams we will continue the exam practice programme until Monday 29th April. The exam practice programme will continue to run on Mondays from 2:30pm until 3:30pm led by your child's tutor;

Our intervention programme has in previous years had a significant impact on final grades. Attendance is therefore vital and students will be at a real disadvantage if they fail to attend. The after school intervention will continue every Tuesday and Thursday (15:10 - 16:10) until 2nd May. We expect all students to make 100% effort and to have the correct attitude towards the work in order to get the most out of the sessions.

Best wishes

Andy Greenwood
