

TRISD Chromebook Insurance

2025-2026

TRISD now offers a Chrome Care Insurance with Accidental Damage Protection through TECHNOLOGY RESOURCE ADVISORS, INC. This insurance will cover, broken keyboards, screens, batteries, and accidental damage. This insurance does not cover chargers, bookbags, and damage that occurs during misuse, i.e. abuse or fluid/water damage. The cost of this yearly insurance is \$30.00 and must be paid by September 26, 2025. No payment will

be accepted after September 26, 2025 for insurance.

If the Insurance is not purchased, repair costs will be as follows;

Cost Range for repair/replacement if damaged or broken \$150-\$300.00.

Due to issues that have arisen in the past, if the insurance is not purchased and the student turns in a Chromebook that is broken, the student will be issued a "loaner" Chromebook that will have to be turned in at the end of each school day and then picked up at the beginning of the following school day. These are not permitted to be taken home and if the "loaned" Chromebook is damaged, the student/parent is responsible for all fines and the student will not be issued another Chromebook until those fines are paid.

IF THE CHROMEBOOK IS NOT TURNED IN THERE WILL BE A
FINE OF \$5.00 PER DAY.

If the insurance is purchased, and the damage is determined to be accidental or due to ordinary wear and tear, the student will be issued a replacement Chromebook until theirs is repaired or replaced at no cost to the parent/student. Again, this insurance does not cover chargers, bookbags, and damage that occurs during misuse, i.e. abuse or fluid/water damage.
