Monday, February 1 – NO SCHOOL
Tuesday, February 2 – Early Dismissal

<u>Should I take AP 12 second semester?</u>
Second semester will be more test prep focused, though we will obviously continue reading important and interesting things! If you aren't planning to take the exam, you will still learn a lot and be well prepared for college next year.

PLEASE NOTE: This class will not get easier second semester. If you failed first semester or you anticipate a heavy or debilitating onset of senioritis, this may not be the class for you!
