### DRIVE #1

**Postcards4VA is working with Rural Ground Game** on Part 2 of their effort to “wake people up.” These hard hitting messages will go to women (40-90 years of age) who lean Democrat or Republican and haven't voted in past elections. You must [purchase Postcards VA postcards](#) (choose Part 2 postcards). If you have an active account, [click here to start downloading addresses](#). If you don't already have an account with P4VA, [create one here](#) (if asked, indicate that you are with Lean Left). Once you have created your account and have been accepted, you can request addresses.

### DRIVE #2—THIS DRIVE IS COMPLETED

**Postcards4VA is working with the National Women's Political Caucus of VA (NWPC-VA)** to send postcards to endorsed House of Delegate candidates for the primary in June. Primary elections are all about turnout. Message will provide Early Voting information. Each postcard will include a label with early voting dates and location. You can use your own postcards for this campaign; all instructions available upon address request, including script and label template. You will mail these postcards as you write them but finish no later than June 3. If you have an active account, [click here to start downloading addresses](#). If you don't already have an account with P4VA, [create one here](#) (if asked, indicate that you are with Lean Left).
