danisnotonfirevyou1 highlights: [1](#) [2](#)

- hashtag is just #danhowell because he couldn't think of anything else
- he's still acting like the Sexy Haru Pillow isn't there
- they met fob again (kind of)
- big weekend radio special is next monday
- they did it with jack and dean
- they didn't meet 5sos but they think they know who each other are
- dan then struggled to name a member of 5sos
- highlight of the weekend was florence and the machine
- muse was "typically excellent"
- mercy looked exciting because a lot of fireworks and lights
- the charlie charlie challenge was funny but he didn't join in cause he didn't want the attention from it
- guess the crime is too much effort anymore
- snoop dogg was confusing
- he has cameras with him all the time even in new york
- the top fan wasn't anahita
- something random and funny happened with fob
- dan and tyler went to a cafe in a park last week and they watched old people play chess
- Anahita Is Back In #1
- train journeys give time to think about life
- jim and tanya are nice and an aspirational couple
- they're working on taking their tour around the world
- he has a whiteboard with book things on it
- he looked at #noodan (people editing him and noodles)
- fajita plans tonight
- his mac battery is going bad
- (top fans change) "this is literally more exciting than formula 1"
- dan was watching charlie xcx jump into a ball pit with a dress on and she gave him a look like "i hate life" then gave him a thumbs up and dived into the ball pit
- he listened to cherry bomb and jenny death on the train
- tyler the creator shouldn't be looked down as much as he is
- "bastard" is tyler's best album but is Extremely Problematic
- he's gonna start making a video tomorrow
- he's hanging out with connor franta this week
- lsd by asap rocky is a cool song and when dan watched the music video he was really excited because it was filmed in japan and he'd been to all of the places in it

- "we're all in a squad of people who spend way too much time on the internet"
- he asked people about 21p because apparently they're the new popular band (no opinions about 21p from him though)
- he finds it weird to listen to bands he listened to as a teenager
- he's been listening to a lot of lyricless music because he doesn't want to listen to emotional music casually
- he's been listening to a lot of hip hop as well as its more about rap culture and more happy things
- he's afraid of tabitha ending up like all of the other people they've tried to make dil get with
- the book is officially finished (their contributions to it)
- they started watching steins;gate
- the red patch on his cheek is from whenever he gets Warm
- he has a theory on why youtubers are having identity crises
- [holy shit this is so interesting i can't even summarize it im just gonna link it here when someone uploads it](#)
- he likes his hair
- he doesn't know what his favorite song off of blue is
- "what does drunk gaming even mean?"
- phil's most recent tweet is terrifying
- he would upload rants to danisnotinteresting but he's scared of the reactions
- dan is looking to compile every little song they've made in a video and get the lyrics but he's afraid he's missed one (spoiler for the book)
- he said spon too much this liveshow but that's ok
- "i talk so much shit on younow"
- "don't analyze or pay much attention to anything i say"
- "go watch amazingphil's new youtube video"
