Buncombe County Schools Transportation Department

Parent App Instructions

The Buncombe County Schools Transportation Department is excited to bring our families the Edulog Parent Portal App. This smartphone app allows parents to receive specific information about their child's school bus ride. Parents will be able to:

- Access designated bus stop times and locations for their child.
- Monitor real-time information about the location of their child's school bus.
- Receive notifications when the bus is getting close to the assigned bus stop.

To Download the app search for Edulog Parent Portal in the app store for Apple or Google or Scan the QR code below.
