

Fundraising Through Facebook

Thank you so much for considering to help our organization in our fundraising efforts. Without people like you we wouldn't be able to continue our mission!

1. Go onto our main facebook page (<https://www.facebook.com/walkwithmedotorg>) and choose "Fundraisers" from the top menu or click [here](#).

2. There will be a button on the right hand-side that says "Raise Money."

The screenshot shows the Facebook profile for 'Walk With Me', which has 988 followers and is following 1 page. The 'Fundraisers' tab is selected, showing two active fundraisers: 'Shawna's birthday fundraiser for Walk With Me' (which has raised \$165 of \$200) and 'Helen's fundraiser for Walk With Me' (which has raised \$514 of \$514). A pink arrow points to the 'Raise money' button in the top right corner of the Fundraisers section.

3. Enter the information for your fundraiser and verify that Walk With Me is in the “Who you are raising money for” section.
4. Once you have created your fundraiser, please reach out to _____ at Walk With Me so they can confirm the fundraiser and collect any necessary information.

Facebook does not release information regarding the fundraisers. Walk With Me can only see the fundraiser created as it shows up under our list of Fundraisers on our Facebook Page.
