:A) Read the following passage, then answer the questions below

Rania and her family went to the Dead Sea two years ago. The Dead Sea is 400 metres below sea level. The water is very salty so you can float when you swim. There are no fish or plants in the Dead Sea because it's too salty. Some plants can grow between the rocks. The people like to put black mud on their bodies because it's a medicine. It makes the skin feel great. There are many desert animals near the Dead Sea. You can see the jerboa and the gazelle.

Answer:
