

**Subject:** Quick request – Unleashed Summit on 10th October

Hi [Manager's Name],

I'd love to get your OK to attend the **Unleashed Summit on 10th October 2025** at **Techspace Shoreditch**. It's a one-day event for product people: PMs, designers, researchers, engineers – all coming together to learn from each other, swap ideas, and have real, unfiltered conversations about what's working (and what's not) in product right now.

A few reasons I think it's worth the time and budget:

- **It's cross-functional by design** – so I'll get a better understanding of how other roles think, which is great for collaboration.
- **Talks are practical and bold**, not just fluff – lots of experienced folks sharing what they've tried and how it worked (or didn't).
- **Small group vibe** – it's capped at 120 people so there's more space for proper chats and useful networking.
- **Great takeaways** – I'll come back with insights, notes, and ideas we can use right away.

Tickets also include access to recordings after the event, so nothing's lost if I want to revisit anything or share it with the team AND there's great discounts for individuals and teams!

Here's the [link](#) to the conference if you'd like to take a look.

Let me know if you're happy for me to go – happy to chat more if needed!

Thanks,
