

What is RaiseRight?

You buy a gift card. You get the full value.

Shop 750+ top brands and immediately earn up to 20% on every gift card you buy.

The brand gives back. No extra money out of your pocket.

Earnings come from brands, not from your pocket, so gift cards are worth every penny. Raise money simply by doing everyday things—like grabbing your morning coffee or ordering dinner for the family.

Your FA Tuition is reduced. FA keeps a small percentage (last semester was 3% of earnings) to cover the administrative cost of the program; the rest belongs to you.

How to get started

- Create an account on the RaiseRight app or at raiseright.com using our organization's enrollment code: EBEA4ADB396L5 (It is recommended to create an account on the website and then log into the app on your phone.)

  Seamlessly check out and receive eGift cards faster by securely paying online with a linked bank account or credit card. You will also have the option of physical cards available for pick up at FA once a month or mailed directly to your home.

*Note: if you want Meijer gift cards, you will need to purchase a physical card first (on designated Thursday mornings) and then you can reload online. Most retailers however, receive your e-card within minutes of placing your order. There are still a few retailers who only offer physical gift cards.

If you choose to order physical cards online, RaiseRight orders are placed LAST Friday of the month after 12:00pm during the school year. If you place your order by then, your gift cards will be available the following Thursday for pick up or can be approved to be sent home with your student (if already paid).

All rebates earned December 1-June 30 will be applied to your Annual Invoice in August (which only HALF is due by the 1st day of classes) then all rebates earned July 1-November 30 will be applied to your Annual Invoice in December (final payment of invoice due Dec. 31).
