

10th Grade Course Selection Sheet

Copy this document or download to Notability to complete.

- 1) To fill out this form, view the [Course Reference Sheet](#) for a list of all the classes we offer and read class descriptions in our online [Course Description Book](#).
- 2) [Graduation Requirements](#)
- 3) If you want to take a class at [CETC](#) or [the Innovation Center](#), include those courses in your requests.
- 4) Fill in **ALL** the boxes. St. Vrain Board policy requires 10th graders to have **8 classes** (a full load) each semester.
 - a) Check with your current teachers if you're unsure of which class to take next. Many of your classes will already be in your selections in MYAP (Multi-Year Academic Planner).
 - b) If you haven't already taken Health you should take it this year; as well as Core PE, Fitness 1 or Lifetime Activities.
 - c) Students need to take at least one Practical Arts elective and one Fine Arts elective.
 - d) **A World Language is not a graduation requirement, but may be required by college(s). Check with that college/university to verify. (See CU for an example.)**
 - e) If a class has an A option, the B option will be added automatically in Infinite Campus.
 - f) Do not repeat class entries.
- 5) Special Class Requirements:
 - a) Take note of classes that require an audition or application. Information about these courses can be found in the course descriptions. Do NOT enter these classes on a line - the class will be placed on your schedule by a counselor when the lead teacher accepts you.
 - b) Programs such as **MBSA** and **High School of Business**: Check with your program about the next class you need to take to stay eligible for your academic program.

Reach out to your counselor with any questions!
