## FACE & BEAUTY

my 'spoiler: you're one of those girls/boys' subliminal:  
prettiest person of all times.  
literally be the most conventionally attractive and beautiful person that has walked and will ever walk this earth.  
be the prettiest person of all times.  
beauty is enhanced to the ultimatum.  
each detail of your facial features just radiate such immense perfection and beauty.  
facial features enhanced and perfected beyond infinity.  
already notice an immense glow up and change in your face after only one listen which is more and more noticeable the more you listen.  
after each listen, your beauty is noticeably 1000 times more attractive and enhanced.  
visuals beyond CGI.  
CGI is nothing compared to how perfect you look.  
CGI characters are jealous of how they can never look as flawless as you are.  
you are the inspiration for every CGI character even though they can't even represent half of the perfection you actually are in real life,  
people constantly tell you if you escaped out of a video game because they can't believe you're real.  
look absolutely flawless even up close.

even when people stare at you really close, they can't find any flaw in you.  
people can't take their eyes off you.  
up close you are even more flawless than far away.  
people literally cry because they can't handle your perfection.  
people literally run after you to get another glimpse of your beautiful face.  
face shaped by angels themselves, its way too pretty to be just genetics.  
you literally won the perfect face lottery.  
all your features enhance so insanely that they reach the peak of perfection they could possibly have.  
your face just radiates jaw dropping gorgeous harmony.  
the harmony in your face makes people forget how to breath because its out of this world beautiful.  
nothing compares to your beyond possibly perfect face.  
hear people gasp in shock by your perfect face.  
literally look perfect and supernaturally pretty all the time, when waking up, bare-faced, with make up, while laughing, crying, on camera and with a resting face.  
most beautiful, neutral, soft resting face.  
resting face looks model-worthy and always camera ready.  
even caught off guard your resting face looks just perfect.  
there is not a single picture that catches your beauty slipping.  
each and every of your photos look straight up photoshopped.  
cameras make your beauty shine, they capture your beauty so well that everyone thinks you look animated and CGI,  
be beyond fully photogenic, even while laughing you look ethereal.  
everyone wants a picture of you to somehow capture your beauty somewhere and making sure you are indeed real and not an angel.  
make people doubt you are real because you are literally glowing like an angel.  
glowing, clear and flawless skin.  
skin looks so clean, plump, lifted and purified like the strongest clear skin filter to ever exist.  
literally have a naturally skin filter effect on your face that makes your pores so heavily blurred out, you literally have no texture.  
soft, clear and glowing skin.  
baby-like skin appearance and health.  
literally have the skin of a newborn baby.  
prettiest skin of all times.  
make people go crazy, screaming in disbelief of how unreal your skin looks.  
skin literally has less than zero texture.  
hairless, silky smooth skin.  
skin literally looks buttered.  
healthiest, clearest and glowiest skin of all times  
soft, shiny and perfect lips.  
moisturized lips.  
beautifully pigmented and attractive lips.  
inanely perfect and attractive lips and mouth.  
attractive, ideal chin.
