## Privacy Policy (31 Jul 24)

We prioritise your privacy. Our extension operates with the following principles:

1. **No Data Collection:** We do not collect or store any personal data from our users. All operations are performed locally on your device.
2. **Local Data Storage:** Any data generated or required for the extension's functionality is stored locally on your device. This includes settings such as volume levels and playback status.

By using Torn Radio Player, you can be assured that your privacy is respected and your data remains solely within your control.

We reserve the right to update this privacy policy as necessary. Any changes will be effective immediately upon posting the revised policy in the extension. We recommend reviewing this policy periodically to stay informed about how we are protecting your privacy.
