Released: April 1 2024

1. I'll See You There Tomorrow (Korean Title: I'll Be Waiting At 'TOMORROW')
2. – — — — .-. .-. — .– (TOMORROW)

   EXPLANATION: '- — — — ·-· ·-· — ·–' (meaning "Tomorrow" in Morse code) is an interlude track that continues TXT's signature use of Morse code, a motif they've employed since their debut. The debut title track 'CROWN' opens with Morse code for "Crown," which is also revisited in the bridge of the song. Morse code appears in various other moments throughout TXT's journey, including their pre-debut introduction films, the 'Dream Chapter: Eternity' concept trailer, and several performances. The repetition of this motif creates a sense of déjà vu, smoothly transitioning into the title track of this album, 'Deja Vu,' which also makes reference to Morse code in its lyrics.
