Student Responsibilities:

All academic obligations (including Chromebook, lost textbooks, library books, student activity/athletic fees or other materials) must be satisfied for sign-out to be complete. Participation in any senior activities will not be allowed unless these obligations are met.

Meet all obligations by the close of school on May 27th. Students who fail to meet the Groton-Dunstable graduation requirements will be unable to participate in the ceremony.

Attend graduation rehearsals and arrive at the designated time.

Dress code: caps and gowns for class night and graduation. Gowns will be worn zipped closed. A tradition at GD is decorating graduation caps. We will continue this but, in attempting to honor the formality and reverence of the occasion, there will be limitations. The following guidelines will be used:

It is appropriate to decorate graduation caps for the following reasons:

- To thank family members.
- Recognize the college/university the student will be attending.
- Recognize the branch of the armed services the student will be joining.
- Celebrate the GD Class of 2025.
- Honor your country of origin.

Graduation caps will not be permitted with the following:

- 3-D art, lights, or sounds.
- Advertisements.
- Profanity or inappropriate slang.
- QR codes.
- Any symbols, words, slogans, initials or slogans that refer to drugs, alcohol, tobacco, weapons, political viewpoints, or anything of a sexual nature.

Seniors are reminded that all school rules and regulations apply throughout graduation week activities. Any disciplinary violations during this time may result in the student being removed from graduation activities.
