Spin and Add To Ten!

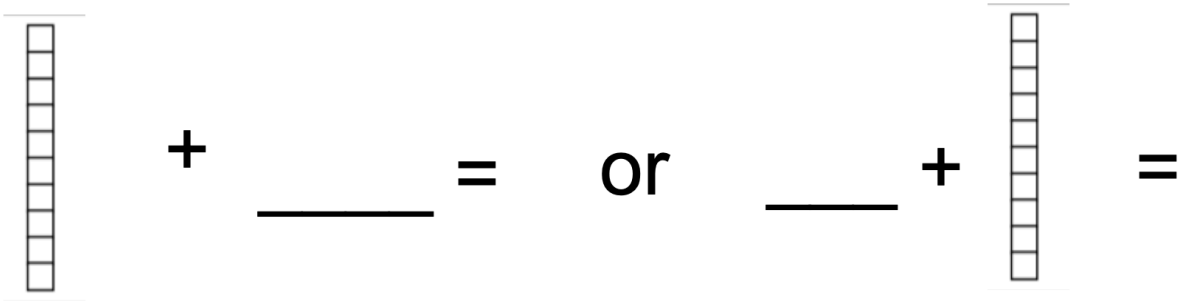

Materials:

- Paper clip, pencil, counters

Directions

- Player 1 spins the spinner (using a pencil tip and paper clip) and adds that number to 10. Player 1 finds the sum on their number path, and places a counter on it.
- Player 2 takes a turn. The first player to fill their number path wins.

Think :

Player 1

11	12	13	14	15	16	17	18	19	20

Player 2

11	12	13	14	15	16	17	18	19	20

10 + (the number spun) = _____
