

**Example Mandate**  
**To be submitted to the Trinity College Board of Stewards**  
**dd/m/yyyy**

**Who:** The Trinity College Example Club (TCEC)

**Why:** Trinity students can enjoy a wide variety of examples provided by the club. Whenever students need an example, be it for immediate use or later consumption, the Trinity College Example Club has a template ready. We believe that the TCEC will positively impact the Trinity community and provide much needed programming.

**What:** The Example Club will host group meetings with members, who can join at any time from any year. In these meetings, the Example Club will provide Example activities (with snacks and soft drinks!) and hear feedback from members. Once a semester, the Example Club will organize one Large Example Event which includes a trip to an example location.

**When:** The TCEC plans to meet bi-weekly in one of the rooms in Trinity College. The Example Club will keep in contact with all of its members via an Instagram group chat and emails to members' UofT emails.

**Contact info:** Feel free to contact the Example Club leader ([exampleleader@mail.utoronto.ca](mailto:exampleleader@mail.utoronto.ca)) to ask any questions! Also follow us on Instagram/Facebook @examplehandle!
