EMPLOYMENT HISTORY: Yorkshire Police Service

MILITARY SERVICE: Military Police

BIOGRAPHY:

- Life preceding contact with Foundation.

William is one of the older members of the Pennington family. Having grown up alongside their two other siblings Benjamin "Alexander" Pennington, Ethan "Roberts" Pennington and [REDACTED].

Before contact with with the Foundation William was in the current employ of His Majesties Prison Service. Having gone into the military aged eighteen in 2009.

Serving for over five years as a member of the Military Police they were noted for their efficiency and attitude towards their work. Additionally, this individual received negotiation training during this time.

Upon their resignation from the armed forces, William proceeded to work for the Yorkshire Police Service until 2018. The death of their spouse at this current time led to their resignation from the police force. Information pertaining to this individual was passed onto Foundation from [REDACTED]. Shortly after contact was established and William was run through the induction program for the Department of Security.

- Work at Foundation so far.

With Security being an old department at Foundation Site-65 special attention was placed on the operatives hired for the positions. William demonstrated to the current department directors at the time that they possessed an increased understanding and skill for security; with William taking the lead in situations within D-block when and where required. Furthermore, their involvement with the Chaos Insurgency; manly combat, enabled William to achieve the rank of Captain within the department in the past.

William overall has contributed towards the Foundation's activities in the region have been complimentary. With their resignation being put in place after obtaining the previous position of [REDACTED].
