OC Face Modeling Commission Sheet

Model Details:

These models will be delivered in a .blend file format. They are made in Blender 2.79 but can be delivered with the 3.5 cycles render materials.

Pricing:

- Custom Face 3-Pack: \$7 (\$3 per Additional Face)
 - Non-PBR Texturing Service: \$1 Per Face

(Face for Choco, Character by Guiguiba)

Payment:

Payment will be made through Paypal. Once the final price is agreed upon, 100% must be paid upfront before work begins.

- **Refunds:**

In the event that a client requests a refund after the initial 100% has been paid, I will grant the refund as long as little to no substantial work has been completed on the faces.

Terms of Service and Agreements:

The client reserves the right to share or use the models with whomever or whatever they desire. The exception to this rule being the public release of the raw .blend file.

I have the right to deny a commission request, or refund a commission for any reason.
