

The survivors learn the truth about their new surroundings. Snacks are eaten, songs are sung, ruins are explored, and one passenger's mask finally slips off.

CONTENT WARNINGS: Gun, chemical weapon (gas), police, violence, peril, sounds of coughing, emotional distress, manipulation, entrapment, existential fear, food.

This episode, "Shattered Visage", was written by Emma Johanna Puranen and directed by Rook Mogavero and Emma Johanna Puranen. The script was edited by Rook Mogavero and Shaoni C. White. Sound editing was by Emma Johanna Puranen. Our cover art is by Tatyana Archtander. Music was composed by Emily Branam using copyright cleared content (or free content) within Emily's licensed and registered version of FL Studio 20. Sound effects are from freesound.org under CC 0, CC BY 3.0, and CC BY 4.0 licenses. For a list of freesound.org sound effects used in this episode, see [here](#). A transcript of this episode can be found [here](#).

In order of appearance, this episode featured the voices of

Alexandra Rose DeAngelis as Woh Ollum
Omar Camps-Kamrin as Lowkey Madigan
Nhea Dourousseau as Alyss Obelus
Alasdair Stuart as Malachi Tessera
