Interview with a word

Interview prompts and documentation

Use the following prompts to start the interview and write down notes. The interviewer should save this record for the following session.

Start with:

Hello, _____ (say and write the word/concept you are interviewing)

How would your friends describe you?

Do you connect with other words?

Do you feel old?

Do you have siblings?

Who should get to know you?

Is there some place (or words) where you feel

out of place?

Are there friends you have lost?

What comes easy to you and what do you find more difficult?
