# Interview with a word

**Interview prompts and documentation**

Use the following prompts to start the interview and write down notes. The interviewer should save this record for the following session.

**Start with:**

Hello, _____ (say and write the word/concept you are interviewing)

*How would your friends describe you?*

*Do you connect with other words?*

*Do you feel old?*

*Do you have siblings?*

*Who should get to know you?*

*Is there some place (or words) where you feel*

*out of place?*

*Are there friends you have lost?*

*What comes easy to you and what do you find more difficult?*
