

Communication theory, presentation techniques, & poster design

Karolinska 14 juni 2023

Name (optional)	Two things that I found especially interesting	One thing that I will start practicing right away	One thing that will be especially useful when I prepare my presentation	One thing that will be especially useful when I prepare my poster
		Elevator pitch	Practice protocol, CBT	Conclusions first
		Continuous speech practicing	Communication skills and protocol	The poster model layout
	<ol style="list-style-type: none">1. Taking a more creative route by storytelling!2. Horrors of conference posters, lol	Being clear, and easy to understand. Think about how I will engage with my audience.	Your links to ppt layouts!	Taking inspiration from the Prey Mantis Poster
