MARCH 4TH TARGET HYBRID RETURN FOR 6TH-8TH GRADE STUDENTS

We are excited to soon welcome our returning 6th-8th grade students who plan to attend the hybrid learning model. Families of 6th-8th grade students should email their child's homeroom teacher to indicate whether you plan to keep your student remote or whether your student will be attending hybrid. Please remember that students with the last name A-K will attend Monday and Tuesday in-person, and will learn remotely Wednesday through Friday. Students with the last name L-Z will attend Thursday and Friday in-person, and will learn remotely Monday through Wednesday. All returning 7th grade students and new students to Edgewood MUST have a current physical on file with Nurse Liz in order to return. This is a State mandate. We are unable to accommodate students on days that they are not scheduled to attend. Be sure to confirm your preference (hybrid or remaining remote) by Tuesday, February 23rd. Your timely response will greatly assist us as we plan for this return. Thank you!

PTO ANNOUNCEMENTS

As Edgewood re-opens to a Hybrid schedule and welcomes students back into the building, there will be some COVID specific needs for donations. With the water fountains inactive for safety protocols, individual water bottles will be needed for each classroom. If you would like to donate a case of 16oz water bottles, they can be dropped off at the school lobby and will be divided evenly between all the classes. This will ensure that our students can remain hydrated under the new guidelines.
