

Samantha Cannon

Special Education Classroom Teacher

Program for Academic and Community Success (PACS)

ABOUT ME:

- QACHS alumni class of 2008
- Year 12
- B.S from UMES in Special Education
- M.A. from Grand Canyon University in Autism Spectrum Disorders
- I enjoy spending time with family and friends.
- I love camping and all genres of music
- My husband and I will celebrate 8 years of marriage in September and love our three kiddos, Aubri, Rowdy, and Veda, dearly.

CLASSES:

- Life Skills Reading & Math
- Community Living
- Career Exploration
- Supplies List = glue sticks, classroom water bottle, home communication folder or notebook
- Students in this program are pursuing a Maryland Certificate of Completion. Our students take courses that are designed to provide specialized instruction and real life experiences to prepare students with significant disabilities for life beyond high school.
